

THE SIR EDMUND HILLARY FOUNDATION OF CANADA

In March of 2017, we will be holding a draw for an original Nepali Painting,

'Winter Scene of the Solu-Khumbu' by the artist Kapa Temba Sherpa.

The artist Temba Sherpa was born deaf, mute and mentally challenged. Temba was a pupil of the great Sherpa artist Kapa Kalden of Khumjung, whose work included the lost murals of Thyangboche as well as many village home gompas. Temba's paintings have been sold in many countries in Asia, Europe and North America.

The painting is 30"x 24" and professionally framed. It is valued at \$500.

Thank you and good luck!

Karen O'Connor

ATTENTION: DONORS Stock Donations Benefit Charities

If you donate certain types of capital property to a Registered Charity, you may be eligible for an inclusion **rate of zero** on any capital gain realized on such gifts.

Many Canadian residents hold shares of demutualized insurance companies and a telephone utility company as well as other securities with large accumulated Capital Gains. By donating these to their favourite charity, they not only benefit the charity but they avoid all Capital Gains Tax which otherwise would be owing on the sale of the shares on the death of the owner.

Talk to your lawyer, financial planner or accountant about how you can donate your appreciated shares to your favourite charity and make a difference in the lives of others.

I am interested in donating capital property such as stocks, bonds & shares to **The Sir Edmund Hillary Foundation**. Please contact the Foundation at 416-941-3315.
